Recycling Carts

Each single-family residence has a 96-gallon recycling cart that is green with a yellow lid. All recycling carts should go to the curb or alley for collection with the handles facing the house.

Every-Other-Week Recycling Pickup

While your trash and recyclables are picked up on your usual pickup day, recycling pickup will occur every other week. Half of the community will be serviced on one week, and the remainder of the community will be serviced on the following week. The recycling pickup schedule has been divided into shaded weeks and un-shaded weeks. Please review the map and schedule to determine which week you should put your recyclables out for pickup.
