8. **Unfinished Business**

9. **New Business**

a. **Appointment Of Committee Member**

Board to consider a motion approving Mayor Gunter's appointment of Colleen Seisser to the Environmental Improvement Committee

Background Of Subject Matter	Ms. Seisser is employed by the Westmont Library as the Assistant Director.
Type	Motion

b. **Amendment To Class 8a Liquor License**

Board to consider an ordinance amending Chapter 10, Section 10-36 of the Westmont Code of Ordinances to amend the Class 8a liquor license classification to allow a craft alcoholic beverage dispenser (a/k/a brewpub).

Background Of Subject Matter	This amendment tracks the definition of a craft alcoholic beverage dispenser which is found in the Zoning Ordinance. A Class 8a liquor license allows a brewpub to sell alcoholic beverages produced on-site for both on-site and off-site consumption.
Additional Background	It also allows for the on-site sale of all other alcoholic liquors not produced on-site.
Recommendation	Approve. If approved, this would allow Whiskey Hill and other brewpubs to operate in the Village.
Type	Ordinance

c. **Award Of Bid Proposal - East Des Moines Water Main Improvement**

Board to consider an ordinance awarding the bid proposal for the Des Moines Water Main Improvement project and authorizing a contract consistent with the accepted bid documents.

Background Of Subject Matter	Four bids were accepted and totals are being tabulated by Baxter & Woodman. The recommendation will be ready at the time of the board meeting to be distributed.
Type	Ordinance
Budgeted	Yes

d. **Amendment To Chapter 78 Regarding Traffic Signs**

Board to consider an ordinance amending various sections of Chapter 78 of the Westmont Code of Ordinances to provide authority to the Police Chief to designate stop and yield intersections, and where U-turn signs are required.

Background Of Subject Matter	This amendment provides authority to the Police Chief, in consultation with the Village Manager and the Village's consulting traffic engineer, to designate stop and yield intersections, and to designate where U-turns are prohibited.
Additional Background	The lengthy list of stop and yield intersections, and U-turn prohibitions, will be removed from Chapter 78 and instead maintained by the Village Clerk.
Recommendation	The Village Board will have final authority over such designations in the event that the Police Chief and Village Manager fail to agree.
Type	Ordinance

Sec. 10-36. Classification of licenses.

Liquor licenses to be issued under this chapter shall be divided into the following classes:

- (1) Class 1, which shall authorize the retail sale of all alcoholic liquors for consumption on the licensed premises as well as allow for the retail sale of all alcoholic liquors in the original package for off-premise consumption, where the principal business is that of a restaurant having a guest seating capacity, including banquet facilities, of more than 200 persons.
- (2) Class 2, which shall authorize the retail sale of all alcoholic liquors for consumption on the licensed premises as well as allow for the retail sale of all alcoholic liquors in the original package for off-premise consumption, where the principal business is that of a restaurant having a guest seating capacity, including banquet facilities, of not less than 40 persons and not more than 200 persons.
- (3) Class 3, which shall authorize the retail sale of all alcoholic liquors for consumption on the licensed premises as well as allow for the retail sale of all alcoholic liquors in the original package for off-premise consumption, where the principal business is that of a restaurant with a service bar only.
- (4) Class 4, which shall authorize the retail sale of wines and beers only, for consumption on the licensed premises as well as allow for the retail sale of wines and beers in the original package for off-premise consumption, where the principal business is that of a restaurant.
- (5) Class 5, which shall authorize the retail sale of all alcoholic liquors, only in the original package and not for consumption on the premises, and only on premises having a building with a minimum floor area of not less than 5,000 square feet. Additionally, the licensee may conduct free tastings of all alcoholic liquors for consumption on the licensed premises only. Tastings of any alcoholic liquor without compensation shall be limited in quantity to one-quarter ounce of spirits, one ounce of wine, or two ounces of beer. Consumers shall be limited three samples per day.
- (6) Class 6, which shall authorize the retail sale of wines and beers only, in the original package and not for consumption on the licensed premises, and only on premises having a building with a minimum floor area of not less than 5,000 square feet.
- (7) Class 7, which shall authorize the retail sale of all alcoholic liquors for consumption on the licensed premises only, where the principal business is that of a hotel.
- (8) Class 8, which shall authorize the retail sale of all alcoholic liquors for consumption on the licensed premises only, with an occupant load of no more than 100 persons, and in addition shall authorize the retail sale of all alcoholic liquors in the original package, and not for consumption on the premises. Occupant load shall be determined by the requirements of the Life Safety Code, 1976 edition, chapter 8, pertaining to places of assembly.
- (8)(A) ~~Class 8(A), which shall authorize craft brewery taverns which allow the retail sale of craft beer only for consumption on the licensed premises, and in addition shall authorize the retail sale of craft beer only in approved packaging, and not for~~

consumption on the licensed premises. Class 8(A) liquor licenses shall be subject to the following regulations and conditions: as the principal business, the operation of a craft alcoholic beverage dispenser, which is a craft alcoholic beverage manufacturer that specializes in the retail sale of alcoholic beverages produced on-site, for either on-site or off-site consumption, or for distribution to off-site accounts. This license class also allows for the retail sale of all alcoholic liquors from other producers for consumption on the licensed premises. Licensee is required to operate a restaurant on the premises as an ancillary use to the craft alcoholic beverage dispenser use. Class 8(A) liquor licenses shall be subject to the following regulations and conditions:

- a. The retail sale of craft alcoholic beverages for off-site consumption is limited to the sale of craft alcoholic beverages produced on the licensed premises.
- b. Approved packaging for the retail sale of craft alcoholic beverages for off-site consumption includes bottles, cans, growlers and kegs. Any other form of packaging requires the advance written approval of the liquor commissioner and shall comply with all applicable laws.
- c. Free tastings of craft beer manufactured on the licensed premises may be offered in compliance with state and local laws.
- d. The manufacturing of craft beer shall comply with all applicable federal, state and local laws.

Sec. 78-7. Conformity of devices to state manual.

All signs and signals shall be established by direction of the village board police chief, in consultation with the village manager and the village's consulting traffic engineer, and shall conform to the Illinois State Manual of Uniform Traffic Control Devices for Streets and Highways. In the event that the police chief and village manager fail to agree on the location or appropriateness of a sign or signal, the determination shall be made by the village board.

(Code 1972, § 18-7)

State law reference(s)—Similar provisions, 625 ILCS 5/11-304.

Sec. 78-219. Stop intersections enumerated.

The police chief shall designate all stop intersections in the village pursuant to section 78-7. The village clerk shall maintain a current list of all enumerated stop intersections. Stop signs shall be maintained on the appropriate corner of each enumerated intersection, and thereupon, the driver of every vehicle approaching such stop sign shall stop before entering the crosswalk on the near side of the intersection before entering the intersection, except when directed to proceed by a police officer.

(a) The driver of a vehicle intending to turn at an intersection shall do so as follows:

- (1) Both the approach for a right turn and a right turn shall be made as close as practical to the right-hand curb or edge of the roadway.
- (2) The driver of a vehicle intending to turn left at any intersection shall approach the intersection in the extreme left-hand lane lawfully available to traffic moving in the direction of travel of such vehicle, and after entering the intersection, the left turn shall be made so as to leave the intersection in a lane lawfully available to traffic moving in such direction upon the roadway being entered. Whenever practicable the left turn shall be made in that portion of the intersection to the left of the center of the intersection.
- (3) Pursuant to section 78-7, ~~The village board~~ the police chief may cause official traffic control devices to be placed within or adjacent to intersections and thereby require and direct that a different course from that specified in this section be traveled by vehicles turning at an intersection, and when such devices are so placed no driver of a vehicle shall turn a vehicle at an intersection other than as directed and required by such devices.

- (b) Two-way left turn lanes. Where a special lane for making left turns by drivers proceeding in opposite directions has been indicated by official traffic control devices:
 - (1) A left turn shall not be made from any other lane.
 - (2) A vehicle shall not be driven in the lane except when preparing for or making a left turn from or into the roadway or when preparing for or making a U-turn when otherwise permitted by law.
- (c) When a motor vehicle and a mass transit bus are traveling in the same direction on the same multilaned highway, street or road, the operator of the motor vehicle overtaking such bus, which is stopped at an intersection on the right side of the roadway to receive or discharge passengers, shall pass to the left of the bus at a safe distance and shall not turn to the right in front of the bus at that intersection.
