8. **Unfinished Business**

9. **New Business**

a. **Increase In Available Class 23 Liquor Licenses**

Board to consider an ordinance increasing the number of available Class 23 Liquor Licenses by one (1) for Absolutely Delicious 18 North Cass Avenue.

Background Of Subject Matter Absolutely Delicious submitted an application for a Class 23 liquor license which allows them to apply for a video gaming license with the Illinois Gaming Board. Absolutely Delicious is eligible to apply for and receive a Class 23 license.

Additional Absolutely Delicious wishes to provide video gaming as an

Background	amenity to customers. Their main business will continue to be that of a restaurant. A Class 23 license is needed before a business can install video gaming terminals in the village.
Recommendation	Board must determine whether to increase the number of Class 23 liquor licenses by one (1) if desired. The number of Class 23 licenses are capped as previously discussed by the board.
Type	Ordinance

b. **Increase In Available Class 6 Liquor Licenses**

Board to consider an ordinance increasing the number of available Class 6 liquor licenses by one (1) for Nature's Best Grocery LLC d/b/a/ Nature's Best 237 North Cass Avenue.

Background Of Subject Matter	Nature's Best Grocery LLC, 237 N. Cass Avenue, has submitted an application for a Class 6 liquor license. Class 6 allows for the sale of beer and wine for off premises consumption.
Additional Background	A background review indicates that Nature's Best Grocery LLC and it's owner are eligible to receive a liquor license. If approved, this license increase allows the Liquor Commissioner to issue a liquor license to Nature's Best if he chooses to do so.
Recommendation	Approval
Type	Ordinance

c. **1 West Quincy Street - Economic Development Agreement Amendment**

Board to consider an ordinance approving a proposed amendment to the previously approved economic development agreement for 1 West Quincy to provide additional TIF support to the developer.

Background Of Subject Matter	The developer of Quincy Station at 1 West Quincy has encountered unanticipated and substantial expenses related to the relocation of ComEd electric lines and has requested additional TIF assistance to help pay for these expenses.
Additional Background	The proposed agreement would allocate additional TIF funds. The unexpected additional expenses are being split approximately 50-50, with the developer paying about half and TIF funds proposed to cover the other half.
Recommendation	Village staff have reviewed the request from the developer and acknowledge that the costs to move the ComEd electric line is substantially higher than initially assumed. Staff believe the proposed EDA amendment is reasonable and recommend approval.
Type	Ordinance
Budgeted	Other

d. **9-11 West Quincy - Economic Development Agreement**

Board to consider an ordinance approving an Economic Development Agreement between the Village of Westmont and Luxica LLC 11 Series, developer, to provide an economic incentive for the renovation and rehabilitation of the long-vacant building at 9-11 West Quincy Street.

Background Of Subject Matter	Village staff have proposed an incentive package so the vacant building at 9-11 West Quincy Street can be renovated and put-
-------------------------------------	--

back to productive use. The Developer proposes renovating the 2nd floor apartments and having first floor commercial space.

Recommendation The Village Manager and the Directors of Community Development, Finance, and Economic Development have worked together to create the proposed economic development agreement and recommend its approval.

Type Ordinance

Budgeted Other

e. **Emergency Medical Services Contract**

Board to consider an ordinance accepting a proposal for Emergency Medical Services and authorizing a contract consistent with the RFP documents.

Background Of Subject Matter The Village received proposals from 3 companies. The proposals were discussed in depth at the Public Safety Committee, and was continued as unfinished business at the following Administration/Finance Committee.

Type Ordinance

Budgeted Other

Budgeted Explanation This will impact next fiscal year's budget

f. **CBD Alley Reconstruction Project Change Order 1 Request**

Board to consider an ordinance approving Change Order #1 with R. W. Dunteman for the CBD Alley Reconstruction Section C Project.

Background Of Subject Matter Soil testing results found levels of contaminants higher than allowed by IEPA regulations. Additional soil samples were ordered. The majority of the alley excavation must be disposed using Non-Special Waste adding a total of \$113,225.60 to the contract.

Recommendation Approve Change Order #1 in the amount of \$113,225.60.

Type Ordinance

Documents:

g. **Award Of Bid Proposal - Gateway Ogden Avenue Beautification Project**

Board to consider an ordinance accepting the bid proposal from A-Lamp Concrete Contractors for the Village's Gateway Ogden Avenue Beautification Project, and authorizing a contract consistent with the bid documents.

Background Of Subject Matter The Village accepted bid proposals from 6 contractors for the Gateway Ogden Beautification Project. The low bidder was A-Lamp Concrete Contractors with a low bid of \$584,798.90 (approximately 27% below the Engineer's Estimate of \$808,360.56).

Additional Background Project includes landscape median along east Ogden between Pasquinelli and Oakwood, new Gateway signs at: Ogden & Pasquinelli, Ogden & Cumnor, and Cass & 67th.

Recommendation Award A-Lamp's bid in the amount of \$584,798.90.

h. **Curbside Composting Program**

Board to consider an ordinance to approve an addendum to the Waste Management contract to provide curbside composting to Westmont residents.

Background Of Subject Matter Westmont EIC has worked with Waste Management to offer this additional service to residents at no additional cost to the Village or alteration of the current Waste Management contract.

Additional Background This program will be a voluntary program offered to residents at an additional charge.

Type Ordinance

i. **Hours For Solicitors**

Board to consider an ordinance amending Chapter 22, Article IV, Division 3 of the Municipal Code to set hours of solicitation in the Village.

Background Of Subject Matter As presented at the Administration and Finance Committee Meeting.

Description & Reason for Change

Test results from the original soil sample taken by RW Dunteman’s Environmental firm indicated a level of contaminants higher than that allowed by CCDD facilities. Additional samples are necessary to further define areas of contaminated soil within Alley C project limits.

The total added cost to the contract would be as follows, based on the AUP submittal by RW Dunteman:

4 samples @ \$1,600/sample (includes sampling, lab analysis, reporting) = \$6,400.

The following table displays the cost of assuming the entire alley soil is contaminated and would require Non-Special Waste Removal and Disposal:

Item	Qty	Unit	Contract Unit Price	Cost
Non-Special Waste Disposal – Additional Qty	1,330	CY	\$80.32	\$106,825.60
			Net Cost Increase	\$106,825.60

Based on the attached Potential Impact Properties map, it appears the highest potential for contamination may be confined to portions of the alley near the gas station, a small area near 218 N. Cass Avenue, and near 236 N. Cass Avenue. The cost for obtaining additional samples to determine if contaminants exist is significantly less than treating the entire alley excavated material as non-special waste. Therefore, we recommend the Village move forward with having RW Dunteman and their environmental sub obtain, analyze, and report on additional soil samples.

Description & Reason for Change

Test results from the original soil sample and 4 additional samples taken by RW Dunteman’s Environmental firm indicated a level of contaminants higher than that allowed by CCDD facilities.

**Re: PROJECT AWARD RECOMMENDATION
VILLAGE OF WESTMONT OGDEN AVENUE GATEWAY CORRIDOR PROJECT
ESI Project No.: 18-749**

Dear Mr. Noriega:

This is to notify the Village of Westmont that eight (8) different contractors obtained bid documents, and six (6) different contractors submitted bids for the Westmont Ogden Avenue Gateway Corridor Project. At the bid opening on February 25th, 2020 at 10:00 AM in the Board Room located in the Village Hall in Westmont, Illinois, the six (6) bids were opened and reviewed. The apparent low bidder was A-Lamp Concrete Contractors, Inc. Please note that the Lowest Bid was \$584,798.90 which was 27% lower than the engineer's opinion of probable estimated cost of construction (EOPC). The bids appear responsive and consistent; they ranged from \$584,798.90 to \$858,165.00. The summary of bids and the detailed tabulation of all bids are attached.

ESI Consultants will continue with the process of securing the necessary signatures and awarding the contract to be ready for construction upon the Board's approval.

Please call me if you have any additional questions.

Sincerely,
ESI Consultants, Ltd.
