RE: Reason for de-annexing from Westmont and annexing into Clarendon Hills

I would like to request that the property at 5708 Western Ave., Clarendon Hills, IL be de-annexed from Westmont and annexed into Clarendon Hills. I currently own and live at the adjacent property at 417 57th Ct, Clarendon Hills, IL. My property backs up to a wetland area which results in a very small usable back yard. Once annexed into Clarendon Hills, I would like to subdivide the 5708 Western Ave property to allow for part of the back yard to be connected to my residence at 417 57th Ct and at the same time, create a more marketable property with a much more reasonable sized yard for the 5708 Western Ave. property.

I appreciate your help and consideration of this request.

Regards,

Greg Morris
