

Westmont Park District Community Center

75 E. Richmond St., Westmont, IL 60559

p: (630) 963-5252 f: (630) 963-5259

The Westmont Park District is requesting a Hotel/Motel grant for the Progressive Village Performance Network.

The Progressive Village Performance Network has been a unique and creative part of Westmont since the formation of this group seven years ago. Every summer our group produces a musical for the community; this year we will be performing Guys and Dolls. We need help with purchase of set pieces, props and costumes. A portion of this grant will also go towards promotion of the event as well as the Village of Westmont.

We are requesting the maximum amount allowed under the grant program, which we were informed is \$2,500. The event will inspire tourism because the summer musical event traditionally offers six shows which average 350 people per show; 40% of those individuals are from neighboring communities.

In addition to bringing individuals from outside Westmont, the summer musical involves many local groups and provides a great way to bring the community together.

Board of Commissioners

James Long, *President* | James Flynn | John Karesh | Susan Zapinski

Robert Fleck, *Executive Director*
