

* ODE to The First 100 years *
(1921 - 2021)

Don't let it be forgot
That Illinois has a spot
Where citizens shall not want
That village is known as Westmont
In the year of 1921
This suburb was begun
In the year of 2021

The Best of Times are never done
Our Parks are very green
Our winter streets are made clean
Our police and fire promptly make the scene
Our Library is fit for a Queen
Our Memorial Day weekend is just for you
With our Red, White, & Blue Barbeque
Every Summer Thursday Night Excites
When Vintage cars flood our Crusin' Nights
Cass Avenue baskets in bloom

4th of July goes boom
The Taste of Westmont makes us happy!
Every son, daughter, momma and pappy
Trick and Treat Trails Awaits

Thanksgiving starts many special dates
For a solid month, It's Holly Days
Sharing and giving in so many fun ways
Community never stops here

Our schools we always cheer
We worship where we wish
Dining surrounds with many a tasty dish

So don't let it be forgot
Westmont is that special spot
To LIVE, work, play and rest
Where the times are definitely the Best!
