RICHMOND GARDEN Collaboration with Clarendon Hills

The Villages of Clarendon Hills and Westmont are at the early stages of designing and coordinating the development of the **Richmond Education Gardens and Apiary**. The facility will be located on an unused 0.15 acre Village public road right of way, between the Village of Clarendon Hills Public Works facility and the Downers Grove Township Highway Garage, south of the Burlington Northern Santa Fe (BNSF) Rail Road. This right-of-way is owned by both the Village of Clarendon Hills and the Village of Westmont.

Once completed, the Gardens will provide a new place in our community to promote education programs to children and adults about natural and organic gardening methods and our environment.
